

# MONSTER LUG

## LUG NUT APPLICATION

### TRUCK AND DOMESTIC CAR APPLICATION

Note: If your application is not on this guide please call for information on your specific application.

Warning: When installing lug kits, please verify the right thread pitch and wheel to lug seat.

Warning: The information on this guide is checked to be accurate but it is intended for reference purpose only.

Please test fit lugs on each wheel before installation. Mackin Industries, Inc. cannot be responsible for any consequences resulting from incorrect installation.
